Hiringhood

Letter of Recognition

This letter recognizes **Bolem Naga Mohana Vamsidhar**, Software Engineer Intern at Spoorthi Hires Consulting Services Private Limited(referred as **"Hiringhood"**), for his outstanding contribution to the Screening and Shortlisting App.

He played a key role in enhancing the **AI/ML-powered Screening and Shortlisting App**, where he developed a system that delivers detailed skill matching and a Role Fit Score, offering insights into basic Vitals, technical skill matching and while identifying missed skills and potential red flags with respect to JD and CV matching.

We appreciate his valuable contributions and wish him continued success in all his future endeavors.

For Spoorthi Hires Consulting Services Private Limited
